

Congress to work expeditiously to develop a bill that addresses the needs of the Nation.

WILLIAM J. CLINTON.  
THE WHITE HOUSE, October 7, 2000.

The PRESIDING OFFICER (Mr. VOINOVICH). The majority leader.

Mr. LOTT. Mr. President, we do have some additional consent requests we have been working on. I have a couple here and Senator McCain has agreed to allow us to do these. Then he has a couple of unanimous consents he wants to ask. The first has to do with the Defense Department authorization bill for the next fiscal year.

UNANIMOUS CONSENT  
AGREEMENT—H.R. 4516

Mr. LOTT. Mr. President, I ask unanimous consent the Senate proceed to the DOD authorization conference report following the reconsideration vote on H.R. 4516 on Thursday, and the conference report be considered as having been read and debated under the following time agreement: 2 hours under the control of the chairman of the Armed Services Committee, 1 hour under the control of Senator GRAMM, 2½ hours under the control of Senator LEVIN, 30 minutes under the control of Senator WELLSTONE; That following the debate just outlined, Senator KERREY be recognized to make a point of order and that the motion to waive the Budget Act be limited to 2 hours equally divided in the usual form.

I further ask consent that following the use or yielding back of time on the motion to waive, the Senate proceed to vote on the motion and, if waived, a vote occur immediately on adoption of the conference report, without any intervening action, motion, or debate.

Mr. REID. Reserving the right to object, I say to the majority leader we have no problem going to the bill. We have a problem with the time right now. There is one Senator over here trying to work something out with both majority and minority staff. We feel confident that can be done. But I think it would be to everyone's best interest if we stop the unanimous consent agreement after the word "read" on the first paragraph.

Mr. LOTT. Mr. President, I am sure there is a good faith effort being made here. So I will revise my unanimous consent request.

But let me emphasize to all the Members that this is a very important bill. Some people think: We have passed the Defense appropriations bill, the military construction appropriations bill; what do we need an authorization bill for? This is the bill that makes the law that authorizes things for our military men and women, including an increase in pay, including the very important, laboriously worked out provisions with regard to health benefits for our active duty men and women and their families and our retirees. It also has the Department of Energy language in which

the Presiding Officer has had so much interest. This is really a big bill and an important bill. So I hope we can get agreement. I believe we will.

Also, I emphasize that by spending 6 hours on this bill, you know that is time we could be spending on the Agriculture appropriations conference report or other conference reports that may be ready by tomorrow afternoon. So I hope we can get this locked up soon.

But, in view of the legitimate request that was made by the Senator, I modify my unanimous consent request and end it after the words "considered as having been read" in the first paragraph.

Mr. REID. Mr. President, reserving the right to object, I say to the majority leader, I think the work done by Senator WARNER and Senator LEVIN on this bill has been exemplary. They worked well together. This is a very important bill. We on this side, the minority, understand the importance of this legislation. As we speak, we are working with one of our Members to get this worked out.

Maybe before the evening is over we can get back and put in the time agreement. We just are not able to do that right now. But we want to make sure we underscore what the leader has said. This is an important bill. I really hope we can complete it before the end of the session.

Mr. WARNER. Mr. President, I, first, thank the distinguished leader and distinguished Democratic whip, all of us who made this possible. We are within 1 millimeter of resolving this problem. It has just been addressed to me. This is the first time I heard it. I know the Senator very well and we are going to see what we can do to work this thing out. So I think the Senate can assume that what the leadership has presented here, this unanimous consent request, can be accepted in the course of the day.

Mr. LOTT. OK.

Mr. WARNER. This will be the 39th consecutive authorization bill for the Armed Forces of the United States by the Senate. And it is an absolute must piece of legislation, as our distinguished leader and the distinguished Democratic whip said.

The PRESIDING OFFICER. Without objection, it is so ordered.

UNANIMOUS CONSENT REQUEST—  
H.R. 4461

Mr. LOTT. Mr. President, I ask consent that at 10 a.m. on Friday the Senate turn to the conference report to accompany H.R. 4461, the Agriculture appropriations conference report, and it be considered under the following agreement, with the time equally divided in the usual form.

I ask consent that debate continue beginning at 9:30 a.m. on Tuesday and proceed through the day.

I ask consent the vote occur on adoption of the Agriculture conference re-

port at 9:30 a.m. on Wednesday and paragraph 4 of rule XII be waived.

The PRESIDING OFFICER. Is there objection?

Mr. REID. Mr. President, reserving the right to object, we have no objection if we would move to this by a vote. We would agree to a voice vote. We do not believe we can do this by consent.

Mr. LOTT. Mr. President, if I could ask the Senator to yield and make sure I understand what he is saying, did you say we could do this by voice vote?

Mr. REID. We would be willing for you to move to proceed and we would voice vote that.

Mr. MCCAIN. I object.

Mr. LOTT. Mr. President, again, we will keep working to try to get agreements accepted. I do not quite understand why the Agriculture appropriations bill cannot be debated tonight, now, and voted on tomorrow. And I do not understand why we cannot get an agreement to have debate on it on Friday and Tuesday, and a vote on Wednesday. I know there are Senators who want to talk on it. That is their right in the Senate. But if we are ever going to get this process completed, we need to get the Agriculture appropriations conference report done.

I am still holding out some hope that maybe the Commerce-State-Justice conference report and even the Labor-HHS conference report could be agreed to and could be dealt with tomorrow in such a way we could have a vote on them on Thursday or Friday. But we do not have that yet.

Is there objection?

Mr. REID. Mr. Leader, if I could just say before you withdraw the consent request, we would be willing, tonight, to have you move to proceed to this measure.

As I said, we would be agreeable to move to proceed to this bill by a voice vote and start the debate tonight. We are not in any way trying to delay the consideration of this very important bill.

Mr. LOTT. I think the Senator knows there is a great difference between moving to proceed and asking unanimous consent. For now, obviously, we cannot get the unanimous consent agreement, so we will not be able to proceed.

In light of the discussions we have just had, and since we cannot get an agreement on taking up Agriculture now, the next votes will occur at 12:30 p.m. tomorrow regarding HUD-VA and related issues, and additional votes will occur late tomorrow afternoon regarding the DOD authorization conference report if we can get this time agreement worked out, and I assume we will be able to. With that, I yield the floor.

TRANSPORTATION RECALL ENHANCEMENT ACCOUNTABILITY AND DOCUMENTATION ACT

The PRESIDING OFFICER. The Senator from Arizona.

Mr. MCCAIN. Mr. President, in just a few minutes I will propound a unanimous consent request concerning the
